VOLUNTARY FAIR SHARE GUIDELINE AND WORKSHEET

Thank you for becoming a new addition to our C.E.I. Family. The Table below is a good guide for determining your Fair Share. Fair Share contributions are necessary to maintain a house of worship and have a full-time rabbi available for the community. C.E.I. depends on Fair Share Commitments to cover operating expenses each year. Your support is greatly needed to keep C.E.I. vibrant and viable. Nevertheless, C.E.I.'s policy is to make it possible for every Jewish person (and their immediate family) to be a member regardless of personal circumstances. This sheet is not to be returned to C.E.I.
